

## MATERIAL SAFETY DATA SHEET

Page 1/3

### 7012E (Cart Wash Check CW101)

MSDS114 Revision 0  
Revision date 2011-08-23

#### SECTION 1: Identification of the substance/mixture and of the company/undertaking

##### 1.1. Product identifier

Product name	7012E (Cart Wash Check CW101)
--------------	-------------------------------

##### 1.2. Relevant identified uses of the substance or mixture and uses advised against

Description	Color change indicating label showing exposure to water.
-------------	--

##### 1.3. Details of the supplier of the safety data sheet

Company	LCR Hallcrest
Address	1911 Pickwick Lane Glenview IL 60026
Web	www.lcrhallcrest.com
Telephone	+1 847 998 8580
Fax	+1 847 998 8051
Email	sales@hallcrest.com

##### Intended use

	Label to indicate exposure to water has occurred.
--	---

#### SECTION 2: Hazards identification

##### Properties

Color	Blue
State	Self adhesive plastic label.

##### Main hazards

	No Significant Hazard
--	-----------------------

#### SECTION 3: Composition/information on ingredients

##### Further information

	Proprietary information but there are no hazardous components present.
--	--

#### SECTION 4: First aid measures

##### Description of first aid measures

Inhalation	Considered to be not hazardous by inhalation.
Eye contact	No irritation expected.
Skin contact	No irritation expected.
Ingestion	May cause irritation to mucous membranes. DO NOT INDUCE VOMITING. Seek medical attention if irritation or symptoms persist.

#### SECTION 5: Firefighting measures

##### Extinguishing media

	Use extinguishing media appropriate to the surrounding fire conditions.
--	---

##### Special hazards arising from the substance or mixture

--	--

## 7012E (Cart Wash Check CW101)

MSDS114 Revision 0

Revision date 2011-08-23

## Special hazards arising from the substance or mixture

	Burning produces irritating, toxic and obnoxious fumes.
--	---

## Advice for firefighters

	Wear suitable respiratory equipment when necessary.
--	---

**SECTION 6: Accidental release measures**

## Personal precautions, protective equipment and emergency procedures

	No specific clean up requirements.
--	------------------------------------

## Environmental precautions

	No environmental requirements.
--	--------------------------------

## Methods and material for containment and cleaning up

	Sweep up.
--	-----------

**SECTION 7: Handling and storage**

## Precautions for safe handling

	No precautions required to be mentioned.
--	--

## Conditions for safe storage, including any incompatibilities

	Store in a cool, dry area.
--	----------------------------

## Further information

	Blue coating is water soluble, store in dry conditions. Water in contact with coating will be stained with the color. Color is non hazardous.
--	---

**SECTION 8: Exposure controls/personal protection**

## Exposure controls

## Appropriate engineering controls

	Ensure adequate ventilation of the working area.
--	--

**SECTION 9: Physical and chemical properties**

## Information on basic physical and chemical properties

State	Self adhesive plastic label.
Color	Blue
Solubility	Slightly soluble in water

## Further information

	Blue coating is water soluble, store in dry conditions. Water in contact with coating will be stained with the color. Color is non hazardous.
--	---

**SECTION 10: Stability and reactivity**

## Chemical stability

	Stable under normal conditions.
--	---------------------------------

**SECTION 11: Toxicological information**

## 11.1.4. Toxicological information

	No data available
--	-------------------

**SECTION 12: Ecological information**

## Further information

	No constituent has yet been assigned a risk phrase pertaining to ecological effects (R50 to R59) or the symbol N.
--	---

**SECTION 13: Disposal considerations**

## 7012E (Cart Wash Check CW101)

MSDS114  
Revision 0

Revision date 2011-08-23

## General information

	Dispose of in compliance with all local and national regulations.
--	---

**SECTION 14: Transport information**

## Further information

	The product is not classified as dangerous for carriage.
--	--

**SECTION 15: Regulatory information**

## Further information

	<p>WEE - (2002/96/EC) and RoHS Directive (2002/95/EC) our products as per attached schedule are:</p> <p>Free of heavy metal (Cd, Cr(VI), Pb and Hg).</p> <p>Free of PBB, PBDE and according to EC-Directive (2003/11/EC) free of Pentabromodiphenyl ether and Octobromodiphenyl ether.</p>
--	--

**SECTION 16: Other information**

## Further information

	The information supplied in this Safety Data Sheet is designed only as guidance for the safe use, storage and handling of the product. This information is correct to the best of our knowledge and belief at the date of publication however no guarantee is made to its accuracy. This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any other process.
--	--

TSCA

All components are TSCA compliant.
