

Material Safety Data Sheet

ChannelCheck™ UCC-101

Section I. Products:

- i. Products:
ChannelCheck™,
Reagent Strips, Buffered Salts, Enzymes Indicators on plastic strips.

Section II. Ingredients:

A. Hazardous

- i. Hazardous component material: None or at concentrations below that requiring hazardous listing.

Section III. Physical Data:

- i. N/A

Section IV. Fire and Explosion Hazard Data:

- i. Flash Point: N/A
- ii. Flammable LEL: N/A
- iii. Flammable VEL: N/A
- iv. Extinguishing Media: N/A
- v. Unusual Fire and Explosions Hazards: N/A

Section V. Health Hazard Data:

- i. Threshold Limit Value: N/A
- ii. Effects of overexposure: N/A
- iii. Emergency First Aid Procedures: N/A

Section VI. Reactivity Data:

- i. Incompatibilities: None
- ii. Hazardous Combustion or Decomposition Products: None

Section VII. Spill or Leak Procedures or Disposal:

N/A

Section VIII. Special Protection Information

Users of the reagents may wear lab coats and gloves (rubber, latex, etc.) when handling.

Section IX. Special Precautions:

- i. Store in at room temperature, in a dry place.
