01. Identification of the substance / mixture and of the company

Product name: Liquid Crystal Temperature Indicating Device

Code number(s):

Purpose of product: Temperature indicator

Manufacturer / supplier: Healthmark Industries Co.

Address: 33671 Doreka Drive / Fraser, MI 48026

Telephone / Fax / E-mail: (586) 774-7600 / (586) 491-2113 / matt@healthmark.info

Emergency Telephone Number: 1-847-998-8580

02. Hazards identifications

Classification of the substance or mixture: Contains no hazardous material.

Adverse environmental and human health effects: N/A

03. Composition / information on ingredients

Description of the mixture: N/A

Hazardous ingredients: N/A

04. First aid measures

General information: Product is not hazardous

Following inhalation: Not applicable.

Following skin contact: No irritation expected.

Following eye contact: Not applicable.

Following ingestion: May cause irritation to mucous membranes. DO NOT INDUCE VOMITING. Seek Medical attention if irritation or symptoms persist.

Notes for the doctor: N/A

05. Firefighting measures

Suitable extinguishing media: Use extinguishing media appropriate to the surrounding fire conditions.

Unsuitable extinguishing media: N/A

Special hazards arising from the substance and combustion products: Burning produces irritating, toxic and obnoxious fumes.
Advice for fire-fighters: Wear suitable respirator equipment when necessary.

06. Accidental release measures

General Information: No specific clean up requirements. Sweep Up.

Environmental precautions: N/A

Additional information: N/A

07. Handling and storage

Precautions for safe handling: No handling requirements. No precautions required to be mentioned.
Fire precautions: N/A

Technical measures and storage conditions: Store in a cool, dry, well ventilated area.

08. Exposure controls / personal protection

Control parameters: N/A

Engineering Controls: N/A

Personal protective equipment: Not normally required.
Advice on general occupational hygiene: N/A

Environmental exposure controls: N/A

09. Physical and chemical properties

Various colors according to type. Plastic label.

10. Stability and reactivity

Stability: Stable under normal conditions.
Conditions to avoid: none known
Incompatible materials: None known
Hazardous Decomposition Products: N/A

Hazardous Polymerization: N/A

11. Toxicological information

No known health effects.
12. Ecological information

No constituent has yet been assigned a risk phrase pertaining to ecological effects (R50 to R59) or the symbol N.

13. Disposal considerations

Dispose of in compliance with all local and national regulations.

14. Transport information
