- **Shelf Life**

### Instructions for Using Product

**Description of Use(s)**

- Keeps instruments maximally exposed for hard to reach areas during cleaning and sterilization.

**Preparation for Use**

**Diagrams (drawings, pictures)**

1. Unlock the stringer by gently pulling the lever arm outwards, while pulling the locked latch upwards.
2. String ring handled instruments in set assembly order onto stringer by placing one ring on each of the stringer arms. Continue until all instruments are loaded onto stringer.
3. Lock latch by closing the latch into a secure locking position.
