## Product SDS

Reference date: 9/26/2018 Revision date:  
11/12/2020

### 01. Identification of the substance/mixture and of the company

Product name: Latex Free Scissor Test

Code number(s): YL-5611, RD-5612

Purpose of product: To test the sharpness of scissors

Manufacturer/supplier: Healthmark Industries Co.

Address: 18600 Malyn Blvd. / Fraser, MI 48026

Telephone/Fax/Email: (800) 521-6224 / (586) 491-2113 / healthmark@hmark.com

Emergency telephone number: (800) 424-9300 (24-hour service)

### 02. Hazards identifications

Classification of the substance or mixture: N/A

Pigment: N/A

Adverse environmental and human health effects: Non-hazardous

### 03. Composition/information on ingredients

<u>Description of the mixture:</u>	<u>CAS #:</u>	<u>% by Weight</u>
Natural rubber	9006-04-6	

Hazardous ingredients: Non-hazardous

General information: N/A

Following inhalation: N/A

Following skin contact: If immediate reaction in the form of flaring/irritation is noticed, stop its use immediately and wash affected part with saline water. If difficulty in breathing is experienced, seek medical aid without delay. If a delayed skin/reaction is apparent, was affected parts with soap and water. Usually such skin manifestation and irritation will subside with time. It is advisable for such individuals to avoid use of natural latex products.

Following eye contact: Rinse with generous amount of water.

Following ingestion: N/A

Notes for the doctor: N/A

### 04. Firefighting measures

Suitable extinguishing media: CO<sub>2</sub> extinguishing powder or water jet

Unsuitable extinguishing media: N/A

Special hazards arising from the substance and combustion products: Avoid inhaling burning fumes

Advice for firefighters: Fight larger fire with water jet or alcohol-resistant foam

#### **05. Accidental release measures**

General information: N/A

Environmental precautions: N/A

Additional information: N/A

#### **06. Handling and storage**

Precautions for safe handling: No special precautions necessary but normal hygiene and good housekeeping practices should be followed as for any rubber products.

Fire Preventions: N/A

Technical measures and storage conditions: Store in a cool (temperature within 5-27°C), dry, ventilated warehouse. Store away from any heat/strong light source.

#### **07. Exposure controls/personal protection**

Control parameters: N/A

Personal protective equipment: N/A

Hand protection: N/A

Respiratory protection: N/A

Eye protection: N/A

Advice on general occupational hygiene: N/A

Environmental exposure controls: N/A

#### **08. Physical and chemical properties**

Appearance: Flat flexible sheeting of any color desired

Physical state: N/A

Color: Yellow and Red

Odor: Mint

Safety relevant basic data: N/A

Explosion hazard: N/A

Density: N/A

pH: N/A

Initial boiling point/range: Not determined

Solubility: Not soluble in water

Flash point: °C /°F N/A

Ignition temperature: °C /°F N/A

Melting point: Not determined

Conditions to avoid: N/A

Incompatible materials: N/A

#### **09. Stability and reactivity**

Conditions to avoid: No dangerous reaction know

Incompatible materials: Hydrocarbon oils that may cause product degradation

Hazardous decomposition products: CO, hydrocarbon, CO<sub>2</sub>

#### **10. Toxicological information**

Information on toxicological effects: Not a primary dermal irritant

Irritation: N/A

Sensitization: N/A

Inhalation: N/A

Practical experiences: Those who had previously been sensitized by improperly produced latex may experience an adverse reaction. Such individuals should avoid contact with natural latex products.

Ingredient: N/A

#### **11. Ecological information**

Terrestrial toxicity: No data available

Aquatic toxicity: N/A

Mobility: N/A

Persistence and degradability: N/A

Bio accumulative potential: N/A

Results of PBT and vPvB assessment: N/A

Other adverse effects: N/A

## 12. Disposal considerations

Product: Consult your local authorities regarding regulations for disposal of used and unused stretch bands.

Contaminated packaging: Consult you local authorities regarding regulations for disposal of used packaging material.

Uncontaminated packaging: N/A

## 13. Transport information

UN-No: N/A

Proper shipping name: N/A

Classification code: N/A

Packing group: N/A

Hazard label: N/A

## 14. Regulatory information

Material safety evaluation: This product and all its components are included on the TSCA Inventory of Chemical Substances.

Regulation on combustible liquids: N/A

Class according 2009/104/EG (BetrSichV): N/A

Water hazard class: N/A

Storage according TRGS 510 (Storage of hazardous substances in non-stationary containers): N/A

## 15. Other information

Recommended application: Store in cool place. Do not store above 104°F (40°C). Shield from direct sun exposure or fluorescent lighting to prevent discoloration. Do not store in areas that are damp or in high humidity.

Relevant R-, H-, and EUH-phrases: N/A

The information supplied in this Safety Data Sheet is designed only as a guidance for the safe use, storage, and handling of the product. This information is correct to the best of our knowledge and beliefs at the date of the publication however no guarantee is made to its accuracy. This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any other processes.
