To whom it may concern:

I can confirm that the drape material used in the Face Shields made for Healthmark Industries Co including models # 18000 and 18000W, will meet the performance standards of AAMI Level 3 classification set by AAMI PB70 standards.

Please refer to the performance testing results of the Onyx Drape material which has been provided on a separately attached PDF.

Best Regards

Roger Machson, President

Onyx Medical Inc.
