Instructions for Using Product

Description of Use(s)
Sanitize personal items with UV-C light.

Preparation for Use
Remove the UVC sanitizer from packaging.

Diagrams (drawings, pictures)
UVC-002
**Steps for Use of Product**

**UVC-001**

1. Plug in the UVC box.
2. Open the lid and place the item in the box and close the lid. You will hear a voice message.
3. Press the one-button start function for 0.5 seconds.
4. After 3 minutes, the UVC box will automatically turn off and a voice will prompt (completed) to let you know sanitation is complete.
5. Do not open lid during sanitation.

**UVC-002**

1. Press the ON/OFF button on top of lid to ON.
2. Open the lid and place items on the rack.
3. Close the lid.
4. Press the desired cycle.
5. When finished, press the ON/OFF button to turn OFF.
