

Redeeming SP D's

You can use your **SP Ds** to cover the cost of your registration and books, you or your organization will only need to pay for travel, room & board expenses.

Can't Go National, Go Local

If you can't make a national conference use your **SP Ds** on registration for a local meeting. (Check with your local group to see if they are a participating partner in the **SP D** program)

Need the latest Technical or Training Manual?

SP Ds can be spent not only for meetings but on all IAHCSSM and CBSPD educational materials. Look at this list of valuable tools.
