Policy & Procedures

The purpose of the **SPDs** program is to provide educational funds to new and existing Healthmark customers. It is an incentive program based on the purchase of specific Healthmark products.

Purchase of Qualified Products Include:
Instrument Care Products - including Flexistem, Cleaning Brushes, Tip Protectors, etc.
Steriking Sterilization Products - including Sterilization Pouches, Integrators & Indicators and more.
SST Systems - includes all trays and carts
ProTech Sterilization Trays - includes the complete line.
Proformance Cleaning Verification Products - including the TOSI, SonoCheck, etc.

All points will be earned and held in the facility's name. Points are not transferable. All awards will require written request with Management approval. Points will only be earned on direct purchases from Healthmark. Points will be calculated on the net value of an item and will not include freight charges.

Recipient of award must be a member in good standing with IAHCMM or CBSPD.

Knowledge Is Power

If you are like most SPD Manager's, you struggle with budgetary issues each and every day. One of the most important line items, and one that is often the first to be cut is money for training and continuing education.

Healthmark has the answer!

We have developed a unique and innovative frequent purchaser program called "**Sterile Processing Dollars** (SPDs)". Your institution will earn these SPD points with every purchase of a Healthmark product for your Sterile Processing Department (Central Supply, Central Service, Sterile Supply). These points can then be used to purchase educational materials for you and your staff.

Healthmark has teamed up with IAHCSSMM

Healthmark & IAHCSSMM

(International Association of Hospital Central Service & Materials Management) and CBSPD (The Certification Board for Sterile Processing and Distribution) to provide the most comprehensive educational materials and programs available for Sterile Processing/Central Supply Professionals and Technicians.

Go to the next IAHCSSMM or CBSPD Meeting on Healthmark

You can use your **SPDs** to cover the cost of your registration and books, you or your organization will only need to pay for travel, room & board expenses.

Can't Go National, Go Local

If you can't make a national conference use your **SPDs** on registration for a local IAHCSSMM or CBSPD meeting. (Check with your local group to see if they are a participating partner in the

Education is Key

SPD program).

SPDs can be spent not only for meetings but on all of the CBSPD and IAHCSSMM educational materials including these types of valuable tools:

TEXTBOOKS

BOXED COURSE MATERIALS

PUBLICATIONS

TRAINING KITS

To learn more about these outstanding educational materials visit the IAHCSSMM website at www.IAHCSSMM.com and the CBSPD web site at www.sterileprocessing.org.
