

Policy & Procedures

For a complete copy of Healthmark's **SP Ds** Policy & Procedures please contact us at 1-800-521-6224 and request a copy of our Membership Guide.

The purpose of the **SP Ds** program is to provide educational funds to new and existing Healthmark customers. It is an incentive program based on the purchase of specific Healthmark products.

Purchase of Qualified Products Include:

Instrument Care Products - including Flexistem, Cleaning Brushes, Tip Protectors, etc.

Steriking Sterilization Products - including Sterilization Pouches, Integrators & Indicators and more.

SST Systems - includes all trays and carts

ProTech Sterilization Trays - includes the complete line.

Disposable Cart Cover - includes all covers both stock and custom sizes.

All points will be earned and held in the facility's name. Points are not transferable. All awards will require written request with Management approval. Points will only be earned on direct purchases from Healthmark. Points will be calculated on the net value of an item and will not include freight charges.
