

Brand Name of Product	OrthoShield™ Soaker Sheets
Generic Name of Product	Paper Soaker Sheets
Product Code Number(s)	SK-2030, SK-1520, SK-1224, SK-1010, SK-1626.
Purpose of Product	Specifically developed for heavy duty use, most commonly under trays to protect wraps from sharp corners and uneven surfaces of trays and baskets while also providing rapid absorption of condensate during sterilization.
Range of Applications for Product	For heavy orthopedic sets, which often present the greatest challenge to the integrity of packaging and are most prone to the occurrence of wet pack.
Key Specifications of Product	<ul style="list-style-type: none"> • Single-use • Material made from pure cellulose EFG wood pulp, manufactured with low chloride and sulfate content and free optical dyes. • Use greatly facilitates the production of dry packs.
